Ashton Thomas Private Wealth, LLC Form CRS Customer Relationship Summary June 30, 2020

	Form CRS Customer Relationship Summary June 30, 2020
Introduction	Ashton Thomas Private Wealth, LLC ("ATPW") is registered with the Securities
	and Exchange Commission (SEC) as an investment adviser. Brokerage and investment advisory services and fees differ, and it is important for you to
	understand these differences. Free and simple tools are available to research firms
	and financial professionals at Investor.gov/CRS, which also provides educational
	materials about broker-dealers, investment advisors, and investing.
What investment Services and advice can you provide me?	We offer investment advisory services to individuals, business entities, trusts, estates, and charitable organizations on a wrap-fee or non-wrap fee basis, and, to the extent specifically requested by a client, financial planning and related consulting services. Under this service, we will tailor an investment strategy to your specific
	needs based on your risk profile and financial situation. We offer this service on a discretionary basis and a non-discretionary basis. If we have discretion, we will choose the securities to be bought and sold and the amount of securities to be bought and sold. If we do not use discretion the client will make the ultimate decision as to the purchase and/or sale of investments.
	We may allocate (and/or recommend that the client allocate) a portion of a client's investment assets among unaffiliated independent investment managers in accordance with the client's designated investment objective(s). In such situations, the Independent Manager(s) shall have day-to-day responsibility for the active discretionary management of the allocated assets. ATPW shall continue to render investment advisory services to the client relative to the ongoing monitoring and review of account performance, asset allocation and client investment objectives.
	For additional information, please see our Form ADV, Part 2A, Items 4 and 7.
	Conversation Starters - Ask your financial professional.
	Given my financial situation, should I choose an investment advisory
	service? Why or why not?
	 How will you choose investments to recommend to me?
	 What is your relevant experience, including your licenses, education and other qualifications? What do these qualifications mean?
What fees will I pay?	You will pay an asset-based fee for Portfolio Management services the details of which are disclosed in our Form ADV, Part 2A, Item 5. The more assets there are in a retail investor's account, the more a retail investor will pay in fees and ATPW may therefore have an incentive to encourage the retail investor to increase the assets in their account. Our fees are subject to negotiation. Our fees are payable quarterly in arrears or in advance depending on your agreement with us. The amount of the fee will be based on the market value of the assets on the last business day of the previous quarter. We will require that you authorize us to deduct our fee from your account at the custodian.
	In addition to our portfolio management fees, you may be assessed other fees by parties independent from us. You may also incur, relative to certain investment products (such as mutual funds), charges imposed directly at the investment product level. Brokerage fees/commissions charged to you for securities trade executions may be billed to you by the broker-dealer or custodian of record for your account, not us. Any such fees are exclusive of, and in addition to our compensation.
	Ashton Thomas sponsors the Amplify Platform through which investment adviser firms and investment professionals may engage Ashton Thomas to provide back-office operational support services and/or gain access to and select from independent third-party managers available through the Amplify Platform. Ashton Thomas' investment adviser representatives are required to utilize the back-office support services available through the Amplify Platform. Therefore, you will incur fees in
